Program Abstract

The Ronald E. McNair Post-Baccalaureate Achievement Program at New Jersey Institute of Technology (NJIT) prepares low income, first generation and underrepresented students who are enrolled full-time in the Newark College of Engineering, the College of Science and Liberal Arts and the Albert Dorman Honors College for doctoral study.

McNair Fellows will be engaged in cutting-edge research and other scholarly activities with Faculty Mentors from their academic departments. Results of their research projects will be presented at professional meetings and conferences and published in peer review and other professional journals. Additionally, McNair Fellows will participate in a wide array of workshops and activities to prepare them for doctoral study. The primary goal of the McNair Achievement Program is to increase the number of United States scientists, engineers and mathematicians who come from economically disadvantaged backgrounds.

McNair Fellows will be selected in their junior year of study. All junior McNair Fellows are required to participate in an intense Summer Research Institute (SRI), the summer prior to their senior year. Senior McNair Fellows will be required to apply to national undergraduate research programs. All Fellows will continue their research projects during the year, and apply to and enroll full-time in graduate school immediately after graduating with bachelors’ degrees from NJIT. McNair Fellows may pursue their post baccalaureate study at any higher education institution in the United States. However, the McNair Achievement Program is responsible for tracking the academic and career accomplishments of all Fellows after they graduate from NJIT.
Program Fact Sheet

HOW CAN I BECOME INVOLVED IN THE MCNAIR ACHIEVEMENT PROGRAM @ NJIT?

- Full-time enrollment in the Newark College of Engineering, College of Science and Liberal Arts and/or Albert Dorman Honors College.
- Junior or Senior status.
- Interest in pursuing a masters and/or Ph.D. in Science, Engineering or Mathematics on a full-time basis, immediately upon graduation from NJIT.
- A minimum cumulative GPA of 3.20.
- Be a citizen, national or permanent resident of the United States.
- Meet the current financial criteria established by the Federal TRIO program.
- Meet the first generation and low-income guidelines or underrepresented status established for the McNair Achievement Program at NJIT.

WHAT'S NEXT?

- Attend an interest session to learn more about the McNair Achievement Program.
- Complete an application package and return it to the McNair Achievement Program Office.
- Participate in a formal selection process.
- Obtain and complete an acceptance package.
- Select a professor with whom to conduct research.

WHAT ARE MY RESPONSIBILITIES IF ACCEPTED?

- Submit a brief (half page) research abstract and bio sketch in hard copy and disk format.
- Work with a professor on a research project
- Turn in a biweekly time sheet to the McNair Achievement Program Office.
- Attend all mandatory meetings, seminars and workshops.
- Present research at national meetings/conferences and the McNair/Undergraduate Student Research Symposium.
- Submit a Research Project Interim Report to your Faculty Mentor by January 31st.
- Submit a final paper, 7 to 10 pages, on the results of your research project by May 31st.
- To apply for in the Summer Research Institute (SRI) at the completion of the junior year.

WHAT ARE SOME OF THE BENEFITS OF THE MCNAIR PROGRAM?

- Solid preparation for doctoral study in Science, Engineering and Mathematics (SEM) fields.
- Monetary reimbursement for your research.
- An opportunity to work "up close and personal" with a research professor.
- Opportunities to partake in teaching internships and workshops.
- Opportunities to attend/present at professional meetings/conferences with a Faculty Mentor.
- Advice and assistance with the graduate school application process.
- Support services such as counseling, career guidance and mentoring.
- Access to national fellowships, grants and assistantships for graduate study.
- An opportunity to become the Outstanding Undergraduate McNair Researcher and be recognized at annual Fall Awards Ceremony at NJIT.
- Opportunity to publish in conference and peer review journals in your academic field.

Ronald E. McNair Post-baccalaureate Achievement Program, (NJIT) 323 Dr. Martin Luther King Jr. Blvd. Kupfrian Hall 201A. Newark, NJ 07102-1982
Please Read Carefully. This Application Packet Contains:

1. Program abstract
2. Program fact sheet
3. Application form and directions for completing the application
   a. Application
   b. Personal Statement
   c. Financial need assessment form
   d. Letter of recommendation
   e. Official transcript

APPLICATION MATERIALS CHECK LIST

___ Complete application
___ Personal statement (form included)
___ Current tax year 1040/1040 EZ tax forms
___ Financial need assessment form
___ Academic year financial aid award letter
___ Official transcript
___ Two letters of recommendations (forms included)

Note: Two recommendations are required. One should be from a faculty member in your major who knows you well and who can discuss your academic strengths and potential for graduate study. The other letter should be from any faculty member in your general studies course, or an administrative staff member.

Application deadline is September 30. Please submit complete application packet to Zara Williams in the McNair office by 5:00 pm. The McNair office is located in the Campus Center 3rd floor, room 388.
