**Note: McNair Programs are required to promote (STEM) education mandated by the Department of Education (DOE), (Competitive Preference Priority I (CPP1). This requirement can be filled by attending two (2) departmental seminars/workshops or two (2) Albert Dorman Honors College Colloquium) each semester. Departmental seminars/workshops will be posted on NJIT Website as they are announced by the various departments. An evaluation form must be completed and submitted to McNair office at the end of the seminar/workshop. The evaluation form can be found on the McNair Website [www.mcnair.njit.edu](http://www.mcnair.njit.edu)**
